ORDER

I. DISCUSSION

On March 11, 2015, Defendants filed identical motions to refer the case to the inmate early mediation program and for an extension of time for the 90-day stay. (ECF No. 24, 25). The Court entered a screening order on December 18, 2014 and stayed the case for 90 days to give the parties an opportunity to settle their dispute. (ECF No. 20 at 14). The 90-day stay is set to expire on March 18, 2015, but no inmate early mediation has been scheduled. (ECF No. 24 at 2).

The Court grants Plaintiff's motion to refer the case to the inmate early mediation program and to extend the stay. The stay is now extended until 5 days after the scheduled mediation between the parties. Defendants shall file their status report no later than 5 days after the scheduled mediation between the parties.
